

2020/2021 Hospitality Brochure

Welcoming racing and the very
best in hospitality to Gifford Hill

The New Era of Racing

Murray Bridge Racing Club is hugely appreciative to all those who have shown such great support to the club since we started our new journey at Gifford Hill. Without a doubt we have seen a huge influx in member and general admission attendance that provides a fantastic racing atmosphere on race day.

Our 2019 Gold Cup saw the largest crowd attending the races and we were thrilled with the patronage of both new and familiar faces in such great numbers. With our fingers tightly crossed that current world events ease, we hope this year to grow that number once again and provide an event to be as enjoyable and memorable as possible.

Much like all businesses, COVID-19 impacted the racing industry to a degree where non-essential horse personnel were not able to attend the races. Fortunately, we were still able to race following the restrictions the Government had put in place. This down time has enabled us to work on making our next season of racing, including our up and coming Carlton Draught Gold Cup, the best year yet.
