Message from the Ceduna Racing Club.

The Ceduna Racing Club has committed to hosting the 2020 / 2021 Ceduna Racing Season to provide our community and visitors to our wonderful region a chance to experience the first significant local event for over 8 months due to Covid-19 restrictions.

However, we will be restricted to 1000 people for each race day so this year all tickets must be pre-purchased beforehand as tickets will not be sold at the gate. This can be done by visiting <https://www.ticketebo.com.au/ceduna-racing-club/ceduna-christmas-races.html> and purchasing online, or visiting the Ceduna Information Centre who can help you purchase tickets if you are not sure about computers.
