THE GIFFORD HILL FACILITY

Murray Bridge Racing Club is hugely appreciative to all those who have shown such great support to the club since we started our new journey at Gifford Hill. Without a doubt we have seen a huge influx in member and general admission attendance that provides a fantastic racing atmosphere on race day.

Our 2019 Gold Cup saw our largest crowd in attendance and we were thrilled with the patronage of both new and familiar faces in such great numbers. With our fingers tightly crossed that current world events ease, we hope this year to grow that number once again and provide an event to be as enjoyable and memorable as possible.

Much like all businesses, COVID-19 impacted the racing industry to a degree where non-essential horse personnel were not able to attend the races. Fortunately, we were still able to race following the restrictions the Government had put in place. This down time has enabled us to work on making our next season of racing, including our up and coming Carlton Draught Gold Cup, the best year yet.

2020 - 2021 RACING SEASON AT MURRAY BRIDGE RACING CLUB

The past 2020-2021 season was a rollercoaster ride for the club. As did many other businesses, due to the COVID-19 restrictions we saw the shutdown of our brand-new events facility for 3 months. Our capacity numbers reduced and we experienced a time where only horse essential personnel could attend the races. For a club with such a great member following and being a visitor attraction, this was a tough time for us not being able to open our doors and welcome you all.

As we entered 2021 the restrictions began to ease and we received the magnificent news that our hard work had paid off. We were given the opportunity to hold the Magic Millions Race Day, an accolade we were stoked to receive. With the feedback and response we received from the attendees, racing personnel and Magic Millions, we are pleased to announce that we will be hosting the Magic Millions Race Day again on Saturday 5th March 2022, and hopefully for many years to come.

2019 saw the opening of our fantastic fibretrack which has received nothing but positive feedback from trainers, much like our uphill sandtrack which opened in the first half of 2021. The uphill sandtrack is an elite training course which helps the horse strengthen its hindquarters, pivotal for providing an extra boost of power. The racing results for the 2020 - 2021 season saw Murray Bridge trainers climb the leader board on the premiership with more wins at the club than ever before. We are beyond thrilled to see Michael Hickmott a Murray Bridge trainer win the "South Australian Metropolitan Trainers Premiership 2020-2021", the first Murray Bridge trainer ever to do so. Congratulations Michael, a well-deserved win! We also want to give a massive congratulations to another Murray Bridge trainer Grant Young for winning "SA Country & Provincial Trainer of The Year". Another befitting win for Grant, congratulations!

Our outlook on the 2021-2022 season is very positive! As we start to build our barrier against COVID-19, we are hopeful for a great season of racing with larger patronage than before, bigger wins for trainers and jockeys and more happy customers! We are champing at the bit to see what this season has in store and hope you join us for the ride.

The Murray Bridge Gold Cup 2020

THE CARLTON DRAUGHT MURRAY BRIDGE GOLD CUP

Save the Date : Friday 15th October 2021 - The Carlton Draught Murray Bridge Gold Cup

It gives me great pleasure in representing the committee to present this Cup Day brochure, promoting and encouraging you to be a part of the 2021 Carlton Draught Murray Bridge Gold Cup. We trust that in the following, you will find a package to suit your preferred needs.

This year's Cup, hopefully without the severe shackles of the recent COVID-19 pandemic and its restrictions, promises to be one of the best events at the new Gifford Hill track. I'm confident we will attract a quality field, racing on what is arguably the Fairest Australian Horse Racing Track, allowing all horses the best opportunity to produce their best on the day. If a local trainer can win it would be the icing on the cake.

I once again would like to thank our major sponsor on the day, Carlton United Brewery who have been a stoic

and valuable partner on Cup Day and throughout the seasons for over 15 years. The success of our Cup Days would not be possible without theirs and all sponsors on the day ongoing support and faith in the product. We do sincerely offer our ongoing appreciation to them all.

Finally, I would encourage everyone to keep the 15th of October free and to book early to avoid disappointment as packages do sell quickly. Come and enjoy our state-of-the-art facility, with sensational racing, food and beverages and be part of what promises to be a race day experience as enjoyable as any. As we climb out of COVID-19 it presents itself as an ideal occasion to let your hair down, let our hard-working committee do all the heavy lifting and have a truly great experience at the Carlton Draught Murray Bridge Gold Cup Day.

- 1.5 meter social distancing should still be used where possible at all times.

Further amendments to COVID-19 restrictions may require changes to be made to certain aspects of any packages. The Murray Bridge Racing Club reserves the right to alter aspects of the package based on complying with COVID-19 restrictions at the time of the event and the financial impact of such changes. We advise you to consider the risk of COVID-19 and associated government measures before confirming your attendance.

MURRAY BRIDGE RACING CLUB CHRISTMAS CUP

Riverscape Food & Wine Christmas Cup

Merry Christmas

MURRAY BRIDGE
RACECOURSE

It's also a great pleasure to present to you our packages and options for the upcoming Riverscape Food & Wine Murray Bridge Christmas Cup, noted in the past this is the most fun day on our racing calendar. A chance to celebrate the past year and kick off the Yuletide season whilst having a punt and hopefully a win with friends, colleagues and family alike.

The occasion gives the ideal opportunity to organise a group together for a work Christmas show, family gathering at this special time of year, or just to let the hair down after another COVID-19 affected year, all whilst experiencing the hospitality of staff and committee

of the Club has to offer on the day.

It's our third Christmas Cup at the new track and hopefully the best yet. The management has organised a package to cater and please all, including childrens entertainment, private marquees, fully catered lunches or just mingle in the general public to meet new and old friends alike.

It's a day when we can all loosen the tie and share a drink and a laugh as we battle to beat the bookies so please, no matter what age, keep the first Sunday in December free and come and enjoy everything the MBRC has to offer and have a very Merry Christmas on us.

PRIVATE MARQUEES

The Murray Bridge Racing Club prides itself on tailoring hospitality packages to suit individual needs. Everyone wants something different at their raceday function, and we will go out of our way to accommodate everyone. Simply give us a call or email us, and we will endeavour to make your raceday one to remember.

Marquee packages are very popular, offering one of the most extensive and variable racing hospitality packages going around so be sure to book your spot. Packages can be tailored to suit your needs and budget. Patrons can choose from our selection of delicious menus and beverage packages. We have a strict no BYO alcohol or soft drinks policy at the racecourse, but can discuss beverage packages with you. All marquee bookings receive discounted drinks prices on pre-booked drinks.

Due to the COVID-19 restrictions, individual marquee prices have increased as the marquee size needs to suffice the 2sqm rule per person and all guests must be seated to consume beverages and catering. It is our obligation to keep you safe during these unprecedented times. If you wish to enquire for a private marquee for your group please email: email@racingmurraybridge.com with your requirements.
